

**Semi-annual activity report for 2024 of the "Public Relations" department of  
the Institute of Mathematics and Mechanics of the Ministry of Science and  
Education of the Republic of Azerbaijan**

The main function of the department is to provide information about the scientific and public activities of the Institute of Mathematics and Mechanics of the Ministry of Science and Education of the Republic of Azerbaijan and the world scientific community, operational management of the Institute's web page, updating, collecting information, processing and complete, accurate news in three languages (Azerbaijani, English and Russian). The department also covers the activities of the scientific and auxiliary departments of the Institute, regular events that take place at the institute, business trips of scientists and their scientific works (articles, monographs, books) on the website and local media. Information about meetings of the Academic Council, scientific seminars, meetings, and scientific works of the Institute's employees is regularly placed on the website in the "News" section. According to statistics, in the "News" section by month, January-44, February - 47, March - 50, April – 60, May-54, June-51 were posted (until today), in three languages. 306 news were posted on the website in 6 months.

Also, the website <https://mpmm.imm.az/> was created in connection with the international conference "XI Modern Problems of Mathematics and Mechanics" dedicated to the memory of the brilliant Azerbaijani scientist and thinker Nasireddin Tusi who lived in the 13th century organized by the Institute of Mathematics and Mechanics of the Ministry of Science and Education of the Republic of Azerbaijan

After hearing the semi-annual reports, starting from January: (department of Functional Analysis, Department of Mathematical Analysis, Department of Theory of Functions, Department of Differential Equations, Department of Equations of Mathematical Physics, Department of Non-harmonic analysis, Department of Theory of elasticity and plasticity, Department of Wave Dynamics, Department of Fluid and Gas Mechanics, Department of Algebra and Mathematical Logic, journal "Izvestia" of the National Academy of Sciences of Azerbaijan, issue of mathematics, series of physical, technical and mathematical sciences, journal "Proceedings" of the Institute of Mathematics and Mechanics, journal of Azerbaijani Mathematicians, The IMM Library, Education, International Relations, the Council of Young Scientists and Specialists) were placed in 3 languages.

Within 6 months, the announcement of the All-Institute seminar, information about the seminar after the seminar, pictures taken at the seminar (pictures taken at the seminar were resized to the appropriate size using the design program, the date and copyright of our institute were added) were added to both the news and seminars section of the website.

The abstracts of the claimants (doctor of philosophy) who defended 9 in the "Abstracts of Dissertations" section of the Dissertation Council are posted on the website.

The annual report of the Institute of Mathematics and Mechanics for 2023 is posted on the website.

Information about 4 anniversaries was posted on the website in the "Anniversaries" section.

1. Deputy director for general affairs Mammadov Mehdi (65 years old)
2. Leading researcher of the Institute of Mathematics and Mechanics, associate professor Gulshan Aghayeva (70 years old).

3. Elshad Eyvazov, senior researcher of the "Functional analysis" department, doctor of sciences in mathematics (75 years old).
4. Tamella Magsudova, an employee of the Institute of Mathematics and Mechanics (60 years old).

115 articles, 4 books, 13 conference materials, 24 scientific-popular works and 99 thesis links of scientists published in 2023 are placed in the "Publications" section.

**The following articles were published in the newspaper "Elm"(Science) :**

1. On January 19, issue No. 02, a meeting dedicated to the discussion of the annual report of the ANAS Presidium of the Physics-Mathematics and Technical Sciences Division (FRTEB) for 2023 was held.
2. March 1 issue No. 8 "An event dedicated to the 32nd anniversary of the Khojaly genocide was held under the organization of the Labor Committee of the Institute of Mathematics and Mechanics of the Ministry of Science and Education"
3. April 26 edition No. 14 "A meeting of the Presidium of ANAS was held"

From January 1, 2024 to today, the website [www.imm.az](http://www.imm.az) has had about 31,253 views.
