Mehrallyev Y.T.
*Investigation of the classical solution of a boundary value problem for
 a second order parabolic equation with non-classical boundary conditions* 121

Sabzaliev M.M.
*Asymptotics of solution of a boundary value problem for
 a singularly perturbed quasilinear one-characteristic equation* 133

Yusufov V.Sh.
Semigroups of local homeomorphic mappings 143

APPLIED PROBLEMS OF MATHEMATICS AND MECHANICS

Ahmedov N.K., Mamedova T.B.
*Investigation of three-dimensional stress-strain state of a small
 thickness radially-inhomogeneous transversally-isotropic sphere* 147

Huseynova N.Sh., Niftiyev A.A.
On dependence of energy eigen-value on the ends of the interval 159
