### MATHEMATICS

Aliyeva A.G. <i>Investigation of generalized solution of one-dimensional mixed problem for a class of fourth order semi-linear equations of Sobolev type. I. ....</i>	3
Aliiev S.A., Boblylyak A.N., Yeleyko Y.I. <i>Criterion for independence of data .....</i>	13
Aliyev Z.S., Dunyamaliyeva A.A. <i>On defect basicity of the system of eigen functions of a spectral parameter with a spectral problem in the boundary conditions .....</i>	21
Badalova K.H. <i>On the spectrum and regularized trace of Sturm-Liouville operator equation given on a finite interval .....</i>	29
Elbably A.L. <i>On the completeness of a system of elementary solutions for an operator-differential equation .....</i>	35
Gadjiyev T.S., Mamedova K.N. <i>On behavior of solutions degenerate parabolic equations .....</i>	43
Hasanov A.D. <i>A Harnack inequality for the solution of Kolmogorov equation .....</i>	51
Hashemi R. <i>On a conjecture of Zimmerman about automorphisms of <math>S_n</math> .....</i>	63
Mammadova L.M. <i>On a boundary value problem for equations with multiple characteristic .....</i>	71
Mehdiyeva G.Yu., Bayramova N.Q. <i>On removable sets for degenerated elliptic equations .....</i>	75
Namazova N.M. <i>On some boundary value problems for a fourth order differential equation with multiple characteristics .....</i>	79

Poladov R.G.

*On the basis in the space  $L_p(0, 1)$ ,  $1 < p < +\infty$  of the system of eigen functions of Sturm-Liouville problem with a spectral parameter in boundary conditions* ..... 87

Rahimov F.H., Azizov F.J., Khalilov V.S.

*Integral limit theorem for the first passage time for the level of random walk, described with  $AR(1)$  sequences* ..... 95

## MECHANICS

Mehdiyev M.A.

*Nonlinear parametric vibrations of a ridge cylindrical shell dynamically contacting with medium* ..... 101

## APPLIED PROBLEMS OF MATHEMATICS AND MECHANICS

Mirzoyeva S.M.

*Existence and uniqueness of the solution of a problem on optimal control of ecological systems described by ordinary differential equations* ..... 109

Teymurov R.A.

*Study of one class problems moving sources in systems of optimal control by with the distributed parameters* ..... 117
